

Points for Prayer – December 2021

For Thanksgiving

- For all the positives in the Mailings and Hot & Happening updates.
- That we still receive emails and letters of thanks for the books we have sent and the help they have been. As Pastor Ajayi from Nigeria writes:

“You have positively impacted the lives of so many gospel ministers with your good heart, kindness, love and with the vision of providing good books for the servant of God. May God bless you immensely for all you do for the Kingdom of God.

I want to let you know that you are loved by many gospel ministers here in Nigeria and Africa generally, and I urge you continue to use your good position to encourage us more, and in your newsletter messages.”

- For all our supporters, partners, volunteers, staff and trustees whose collective efforts work together for the blessing of the nations.

For Prayer

- That the suspended services will be reinstated soon and that the countries concerned will receive all the help they need with Covid.
- That the books on their way will reach their destinations safely and swiftly.
- For those pastors who are struggling financially because they are not holding regular services with offerings. In remote rural districts there are no banks.
- One box of books is missing from the Malawi consignment and this is generating a certain amount of angst. Please pray that it will turn up amongst the hundreds of boxes in a very large container.

And Finally

As ever, we are hugely thankful for our prayer and financial supporters, and their messages of encouragement, steadfast loyalty and support.
