

Points for Prayer – August 2021

For Thanksgiving

- The safe and timely dispatch of the Salima container
- Progress in the warehouse
- Progress with mailing preparations
- Rapid progress with the study workbook
- Progress with the Russian translations on the website

For Prayer

- That we'll be able to process some individual requests from friends in the UK and Australia on behalf of pastors and ministries overseas.
- For God's help to start up the dispatch of individual freight mailings. We'd like to do this in August and our prayer is that we'll be able to make a flying start from the word go!
- Health and strength for the staff, volunteers and trustees.

And Finally

As ever, we are hugely thankful for our prayer and financial supporters; and we look forward to welcoming back more of our practical volunteer helpers as the relaxation of Covid restrictions progresses.
